# WHAT IS OUR AMBITION?

#### WHAT IS OUR AMBITION: DESCRIBE OR EXPLAIN?

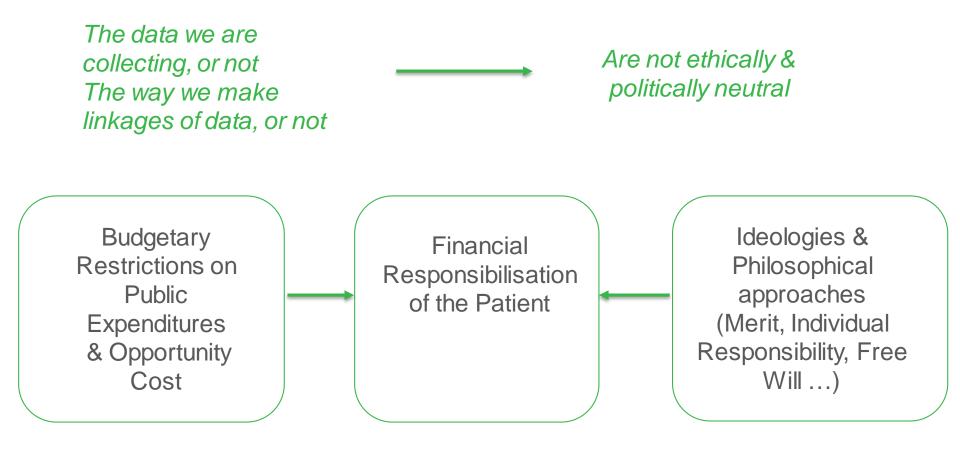

#### THE FUTURE OF THE SOLIDARITY IN HEALTHCARE

#### OUR RESPONSIBILITY BECAUSE DATA ARE NEVER NEUTRAL

### A NEED FOR CONSISTENCY

- Common "technical" guidelines regarding collecting & linkages of data
  - To support researchers making international comparisons
- Common legal guidelines regarding collecting & linkages of data
  - To avoid exceptions which detriment transparency and trust
- One responsible authority per country
  - To improve the **consistency** and the **efficiency**
- A common view about the way to tackle the ethical challenges
  - To improve the **health status** of **everybody** by reducing the **weight** of the **inequalities** and **inequities**
