Two newsletters produced:  
February 2021 &  
June 2021  
Subscribers: 322

## Deliverables & Milestones

Number Deliverables submitted: 7  
Number Milestones submitted: 13

## Dissemination Strategy

- Build credibility and engage with the health research community in Europe along with its policymakers
- Map the relevant target groups and audience of the project
- Target and ensure all the information is available to the Consortium Partners, public health and COVID-19 research networks, health stakeholders, international organizations and the general public
