# LECTURE

## COUNTRY VISITS: INTERVIEWING HEALTH INFORMATION SYSTEM STAKEHOLDERS

Friday 20 May 2022
13:00 – 14:00 CET

EUROPEAN PUBLIC HEALTH WEEK

**PROGRAMME**

**Two European projects TEHDAS (Towards the European Health Data Space) and PHIRI (Population Health Information Research Infrastructure) are zooming in on Health Information Systems, by conducting semi-structured interviews with stakeholders through country visits. TEHDAS focuses on the readiness to join the European Health Data Space, whereas PHIRI maps Health Information Systems accommodating COVID-19. The event will present findings from both projects.**
